Friday, May 26, 2006

Hamptons Magazine's annual Power List is out (p. 226, for when you pick up a copy tomorrow). In their own words, in re the people on the list: "They're the movers and shakers, the life of the party, the grand pooh-bahs of business, the trendsetters from every industry--entertainment, real estate, fashion, finance, medicine. **They're the people who make the Hamptons The Hamptons.**"

The fully list is just ahead, so cross your fingers, say a prayer or two and click on through. See if you see yourself along side such folks as **Steven Gaines, Diddy, Ed Kleefeld,** and, of course, **Billy Joel.**
